## Software Engineer

203.910.7037

[LinkedIn](#) | [GitHub](#)

### SUMMARY

I am a creative-minded software engineer with a results-driven mindset. My time spent in the United States Marine Corps has taught me how to accomplish tasks quickly and efficiently, and with meticulous attention to detail, while my artistic background allows me to solve problems dynamically by observing, making connections and experimenting with those results.

### SKILLS

**PROGRAMMING LANGUAGES:** HTML, CSS, JavaScript, React, NodeJS, SQL, Python, Django

**TECHNICAL SKILLS:** Microsoft Suite, Visual Studio Code, Git, Github

### PROJECTS

[Trivia Game](#) - 10 question multiple choice game built with JavaScript, HTML and CSS.

[Holiday Calendar](#) - A Holiday Calendar App built with HTML, CSS, Javascript, ReactJS, and a holiday API.

[Progallery](#) - A user profile gallery built with HTML, CSS, JavaScript, ReactJS, Mongoose, Express, Cors.

[S M A R T](#) - This app allows authenticated users to create and set goals. This project was built using JSX, CSS, ReactJS, Bootstrap, Python, and Django.

### EXPERIENCE

**General Assembly Graduate** *Software Engineering Immersive Program* - April 2021 - July 2021

- 500+ hours dedicated to an immersive and full-stack web development boot camp
- Engineered 10+ applications with clear and detailed code on both a collaborative and individual basis within 12 weeks

**Stay at Home Parent** July 2017 - current

**MeSpa** *Front Desk Associate* - February 2017 - July 2017

- Greeting all guests, answering phone calls, responding to messages, booking appointments, checking guests into the computer, and charging for services, and keeping up with cleanliness standards.

**JoyRide Cycling Studio** *Front Desk Associate* - February 2014 - September 2016

- Greet and check-in clients, open/closing procedures, conducted tours of the facility, booked classes and communicated with clients via email and telephone, contributed to social media posts, and other various assigned duties.

**United States Marine Corps** *Enlisted 0621 Field Radio Operator* - November 2005 - January 2011

- Maintain accountability of all sensitive items and equipment, to check for necessary maintenance and/or reordering of parts and equipment.
- While in an administrative billet, I coordinated schedules and filed administrative paperwork in support of deployment readiness for our entire unit of 100+ Marines.
